OFFICE OF THE COMMISSIONER FOR INDIA.

D. O. No. 1595, *Camp Madras*, 1*st December* 1923.

BRITISH EMPIRE EXHIBITION.

Dear Sir,

You may remember that at the last Bombay Conference it was agreed that Provinces and States would procure advertisements for publication in the All-India Catalogue of exhibits to be issued by the Government of India. It is estimated that visitors to the Exhibition who will come from all countries of the world will number not less than 30 millions. Practically every important Indian Province and State is taking part in the Exhibition, and the Catalogue will therefore circulate widely, not only amongst visitors to the Exhibition, but also in England and India. It will thus be a splendid means of advertisement, and it has been decided that select approved advertisements should be published in the Catalogue. The Commissioner for India guarantees a minimum circulation of 20,000 copies of the Catalogue.

2. The Catalogue will be of the same size as the Handbook of India Section already issued by the Government of India, that is to say, 10 by 7 inches. The rates of advertisement will be as follows :—

£5 or Rs. 75 for full page.
£3 or Rs. 45 for half page.

3. Applications for advertisement should be prepared and should be handed over to the Local Exhibition Officers, together with the advertisement matter and blocks, if any, before the end of January 1924.

Yours Sincerely,
T. VIJAYARAGHAVACHARYA.
